To Whom It May Concern,

Our Lincoln Elementary PTA is hosting its Parent Night Out benefit on March 3, 2018, which should prove to be one of our more highly attended events. It is a great opportunity to support Lincoln and wonderful publicity for the donors. We are providing both mobile bidding and Live Auction for the event. If you would consider donating a package we would be incredibly grateful.

We sincerely hope you find it beneficial to help support our school. Lincoln Elementary is a uniquely diverse school in Newport Beach. Our students come from business leaders in the community, professional sports stars and musicians to title one families who need assistance providing food and clothing. Through our fundraising efforts, we hope to enrich the curriculum for all of our students. Over the years, Lincoln Elementary PTA has funded additional materials, programs, aides, art and technology teachers through our fundraising efforts.

I hope it works for you to be a part of our effort to provide a better education for all our students and make a few new friends in the process!

Sincerely,

Rasheen Ataian
